I want to acknowledge that much of the violence and destruction, both here in Seattle and across the country, has been instigated and perpetuated by white men.

You're SO "DIVIDING" and contributing to this garbage! Thank you SO MUCH for putting MY LIFE at risk by your stereotyping, profiling! You need to GO!!! I'm ASHAMED of you as a mayor of ANY city!!! Every bit of destruction is on YOUR's & Inslee's hands for NOT protecting our city!|
